

Pendant Lines:

Our pendant lines are hand spliced at our facility in Milford, NH, using the highest quality materials and professionally trained staff. Because of this we can make custom lengths and configurations to fit your vessels needs.

Our standard rope sizes are: 5/8", 3/4" or 7/8" (we are able to make other sizes as needed).

Some of the build options are: soft eye/soft eye, soft eye/thimble or soft eye/bitter end.
